Darren 'Whackhead' Simpson

"he's our king of comedy"

Darren is always taking the Mickey.

Darren has a massive following. In 2004 and 2005, 94.7 Highveld Stereo released The Best of Whackhead's Phone Pranks on CD. Both CDs celebrated gold status.

Darren loves chilling.

We've heard him pulling pranks on The Rude Awakening on 94.7 Highveld Stereo.

We've seen him live on stage at some of SA's biggest comedy gigs, on M-Net Laugh Out Loud, Late Show with Darren Scott, and SABC3's Comedy Showcase.

We love him because he makes us laugh.

Darren Simpson's Talents:

- Comedy ...if you want people to laugh so much they cry
- Events: MC - Darren is in high demand as an emcee. What can we say - the crowds love him.
